

# Ye Nanjun

---

No.2,Xueyuan Road, Minhou, Fuzhou, Fujian China • nanjunyeh@outlook.com • 19859474975

## EDUCATION

---

### Fuzhou University

Fuzhou, Fujian

*Bachelor of Science in Information and Computing Science*

Sep. 2019 - Present

GPA:3.55(rank:3/32)

**Relevant Courses:** Data Mining, Information Theory, Advanced Algebra,  
Mathematical Analysis, Operations Research and Optimization,  
Probability and Statistics, Graph Theory and Its Applications

**Honors/Awards:** The Third Prize Scholarship(2-times), Outstanding Student Cadre

**Activities:** Students' Association Union, 2019-2021

## RESEARCH EXPERIENCE

---

### "AI+X" Blended Learning program in Machine Learning

*Student in Applying Machine Learning to Engineering and Science*

Nov. – Dec. 2021

- A program of Touch Education Technology in collaboration with MIT
- Attending recorded lectures and finishing assignments in 9 topics such as battery life prediction
- Reading papers and attending 6 two-hour live sessions which were given by professors and postdocs in MIT

### Research Internship

*Study in my undergraduate mentor's lab*

May. 2021– Present

- Studying algorithms and frameworks of ML

## KILLS

---

**Computer:** Proficient in MS Word, PowerPoint, and Excel, Intermediate in C, C++, MATLAB and Python, Beginner in PyTorch and PaddlePaddle

**Language:** CET-6(497)

## RESEARCH INTERESTS

---

Data Mining, Image Processing, Machine Learning, Optimization
